

JENOX HOBBY is a battery made using the latest technology, created for recreational vehicles and equipment. Thanks to resistance to deep discharges, works perfectly in yachts, motorboats, electric boats and campers. Jenox Hobby is an optimal solution created for those who value high quality and comfort of use on land and in the water.

*Power
of technology*

Characteristics:

- improved corrosion-resistance grids
- use of a special recipe active material
- a polyethylene separator reinforced with a fiber glass mat
- special evacuation of gas from a central degassing system

Battery code	Capacity [Ah]			Polarity	Dimensions [mm] Length/Width/Height
	5h	20h	100h		
R050612T	40	50	60	[- +]	207 x 175 x 190
R060614T	50	60	70	[- +]	242 x 175 x 190
R080616T	60	80	90	[- +]	276 x 175 x 190
R100636T	80	100	110	[- +]	352 x 175 x 190
R145482T	110	145	160	[+ -]	513 x 189 x 223
R180484T	140	180	200	[+ -]	513 x 223 x 223
R230486T	180	230	260	[+ -]	518 x 276 x 242

JENOX HOBBY

Advantages:

- no spills, even during significant tilts
 - extended service life
 - resistance to deep discharge
- a solid structure with a profiled handle
